

ODOUR CONTROL SYSTEM

APZEM odor control systems series offers the high quality and providing a complete solution for any municipal or industrial application. The odour control system comes with higher capacity and more efficiency as well as protect the environment from inhaling hazardous gases and waste.

FEATURES

- > Proven designs
- > High removal efficiency
- > Reliable performance
- > Corrosion-resistant construction
- > Simple & effective
- > Corrosion resistant construction
- > Differential pressure gauge
- > FRP fan
- > Internal media support system
- > Lift lugs
- > Anchor lugs
- > Grounding rod
- > Media sampling ports
- > Various media options

APPLICATION

- > Cement factory
- > Chemical industries
- > Pharmaceutical Industries
- > Petrochemical industries
- > Municipal waste treatment plant
- > Effluent Treatment Facilities
- > Fertilizer production and processing industries

ACCESSORIES

- > Centrifugal Blower
- > Spiral Ducts
- > Flexible duct
- > Suction hoods
- > Magnahelic gauge
- > PH meter
- > Water Level indicator & controller
- > Pump
- > VOC Sensor
- > Adsorption Media

MATERIALS OF CONSTRUCTION

- > Fiberglass reinforced plastic (FRP)
- > MS, M.S with FRP Lined
- > M.S with Epoxy coated
- > PVC , CPVC
- > Polypropylene
